Feedback 1

Name of listener: Michael Goldman

Date: 2020-10-13

- Talk slower
- Point to images more, not clear what subfigures are being talked about
- Explain figures more, say which subfigure
- good organization, facts, understandable

Feedback 2

Name of listener: Marcus Chung

Date: 2020-10-22

- great introduction
- Slow down
- everything else is fine

Feedback 3

Name of Listener: Jimena Perez

Date: 2020-10-29

- Clarify map on methods 1
- Add Titles on results 3
- Slides are a little cramped
- Good explanation

Feedback 4

Name of listener: Brian McCollum

Date 2020-10-29

- put hook at the beginning - why do i care
- Integrate script with slides better/read off script less/ad-lib more
- Point to things with mouse
- change slide order
